

BLACHLY-LANE ELECTRIC COOPERATIVE

Policy 1405

Section: Operations/Engineering

Subject: Line Extensions

I. OBJECTIVE

To provide for the construction of line extensions to serve member loads and recover the associated costs from the member receiving the new service.

II. Policy

A. Members requesting a line extension from BLEC will be responsible for costs related to providing the line extension.

B. Members must pay the estimated cost for line extensions in advance of construction.

C. After completion of construction, BLEC will either bill the member for any costs in excess of the estimate or refund to the member any payments made by the member that exceed the final cost of construction.

D. BLEC will construct, own, operate and maintain all lines constructed to serve members.

III. RESPONSIBILITY

Administration of this policy is the responsibility of the General Manager.
