

BLACHLY-LANE ELECTRIC COOPERATIVE
Policy 1435

Section: Operations and Engineering

Subject: Services

I. OBJECTIVE

To meet the electrical energy supply requirements of our members and make sure that costs are equitably allocated in the rate structures.

II. POLICY

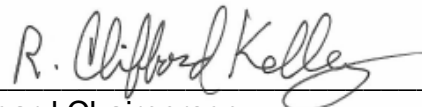

A. All service fees and rates shall, to the extent possible, be cost based and equitable.

B. BLEC will have written procedures in place defining all types of service, applicable fees and rates and roles and responsibilities of the Cooperative and members being served.

III. RESPONSIBILITY

Administration of this policy is the responsibility of the Board of Directors and the General Manager.

APPROVED by Board of Directors

Board Chairperson
