

.....  
On a voluntary basis, consumers may support the continuing operations of such plants as the Coffin Butte Landfill Methane Resource Project and promote the expansion of this type of alternative energy source. At the consumer's request, the Cooperative will direct an additional dollar amount on their electric bill to help fund the production of green power from the Coffin Butte Landfill Methane Resource Project.  
.....

*Please add me to the supporters of green power. I choose to support this option that is available to Blachly-Lane customers knowing that it will increase my monthly bill according to the level of commitment that I have selected below. Green power supporters are free to increase their participation level or withdraw from the program at any time.*

- \_\_\_\_\_ 100% of my electric use at \$0.01 per kWh
- \_\_\_\_\_ 1,000 kWh blocks/month at \$1.50 per block
- \_\_\_\_\_ 100 kWh blocks/month at \$2.00 per block
